

GKR-R-S-125 NP/K 304028

Product type: Swivel castors with directional lock
Product group: Tango

The Tango equipment castor is suitable for environments where features like stainless material, conductivity or non-magnetic. The smoothly rolling and maintenance-free Tango is manufactured of glassfibre-reinforced polyamide. With its perfect design, the Tango castor is easy to clean and suitable for most environments. Tango is the right choice, whether the environment is a hospital, rehabilitation centre, institutional kitchen, restaurant, shop, office, public facility or factory.
